

Auto Lecture wants you to have the best shopping experience when it comes to buying paintless dent repair tools and products online. From PDR hail repair tools to PDR accessories, we are confident you will enjoy our presentations. As time goes on, we will be adding more PDR videos about new products and accessories. We feel the more you know the use of the PDR tools, less likely you won't feel you bought a tool you didn't want. Our online paintless dent repair store is different and we care all about presentation and the quality of the PDR tools we sell. All PDR dent removal tools, rods and handles have a lifetime warranty (*excluding certain wire tools - limited lifetime warranty) so you can feel confident about your purchase.

About the PDR tools and products.

If you have not already noticed before, we carry a large amount of other PDR companies paintless dent repair tools. Don't worry though, we don't charge anymore than the

manufactures charge. In benefit, our customer service is here to help answer your questions quickly during regular business hours. In general, we do our best to reply back even if it's after hours. Most purchases are shipped directly from the manufacturer with Fed Ex tracking, except DVD's and single Line Boards - those are shipped USPS.

We hope you have a pleasant shopping experience.

Thank you,

Myke Toledo
